

FALL LEAF PICK-UP

SEPTEMBER 30, 2024 - NOVEMBER 29, 2024

A New Fall Cleanup Service Offering

The City of Durango has partnered with Table to Farm Compost to collect bagged leaves on-demand, separate from your standard Fall Cleanup pick-up week. Residents can place up to 10 paper leaf bags out on the curb **anytime between September 30th and November 29th** for free pick-up! Leaves will be composted at the Table to Farm Compost facility.

Follow these three easy steps:

1. Purchase approved 30-gallon compostable **paper** leaf bags (Kroegers Ace Hardware, Home Depot, City Market, Walmart). ***NO plastic or plastic-lined bags!***
2. Go to www.tabletofarmcompost.com (or scan the QR code below) and sign-up for leaf bag pick-up*. ***Please only sign-up once you are ready to have your bags picked-up.***
3. Immediately after signing-up, place up to **10** paper bags filled with leaves on your curb. ***DO NOT seal bags with tape or staples!***

*If you are an existing Table to Farm customer, do not create a new account. Instead, login to your customer portal and place an "order" in the shop only when your bags are on the curb.
